Harlem Pride

Vonne Williams is an Investor, Business Coach, and Tax Accountant committed to helping entrepreneurs and young adults build generational wealth by transforming their mindset about money. Inspired by her own experiences with financial hardship and personal growth, Vonne is on a mission to empower others through personal development and financial expertise.

With a thriving tax practice in Harlem, Vonne serves as a catalyst for positive change. Leveraging her expertise and passion, Vonne speaks at public schools and engages with not-for-profit organizations throughout the country, inspiring individuals to dream big and pursue their passions.

Join Vonne Williams on a transformative journey towards financial empowerment, where she will guide your audience to overcome obstacles, transform their mindset, and create lasting prosperity.

TESTIMONIAL

VonneWilliams is a dynamic, warm, and funny presenter, which is absolutely welcomed when talking about such a heavy topic. I learned so much from her about business financing for my small start up and most of what I learned was internal. She's like a money psychologist and I love it!
